We Have You Covered

3 Ways of Working With Scapa Industrial

Core Range

Choose from our suite of currently available roofing material tapes and adhesive technologies.

Made to Measure

If one of our standard products doesn't match your application requirements, we can produce something that does.

Innovation Projects

If a more advanced solution or a new way of doing things is needed for the next generation of roofing solutions, our R&D team can collaborate with you to develop and deliver an ideal solution.
